My Gravity Book
By: Julie Bochese
Date: 10/12

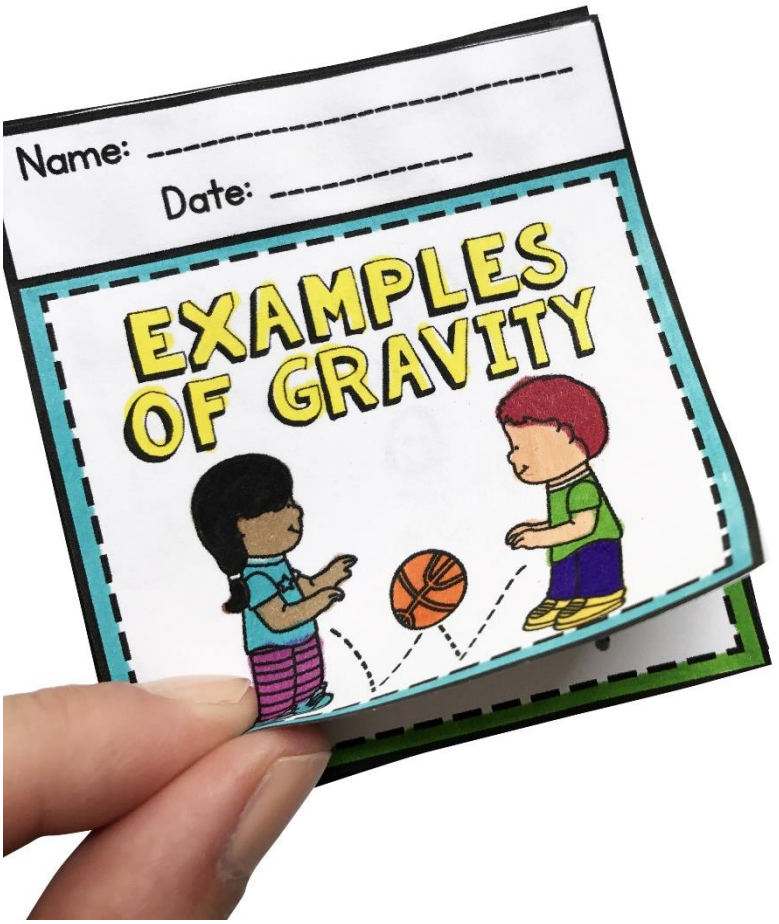

Draw a picture of you being pulled towards the earth.
Gravity pulls things towards earth.
Draw a picture of what the earth would look like with no gravity.
If we didn't have gravity on earth, this is what you might see:

Flip Book Activity Directions

1. Fill out flip book pages.
2. Cut out each square.
3. Paste the top of each page to make a booklet.
