# Meaning of Words and Phrases

Readers determine the meaning of words and phrases as they are used in a text by considering several factors. They then analyze how those factors impact the text's meaning and tone.

**Words and Phrases**

**Context Clues**
Use the surrounding text to make sense of unfamiliar words.

**Figurative Language**
Identify metaphors, similes, hyperbole, personification, onomatopoeia, idioms, and alliteration.

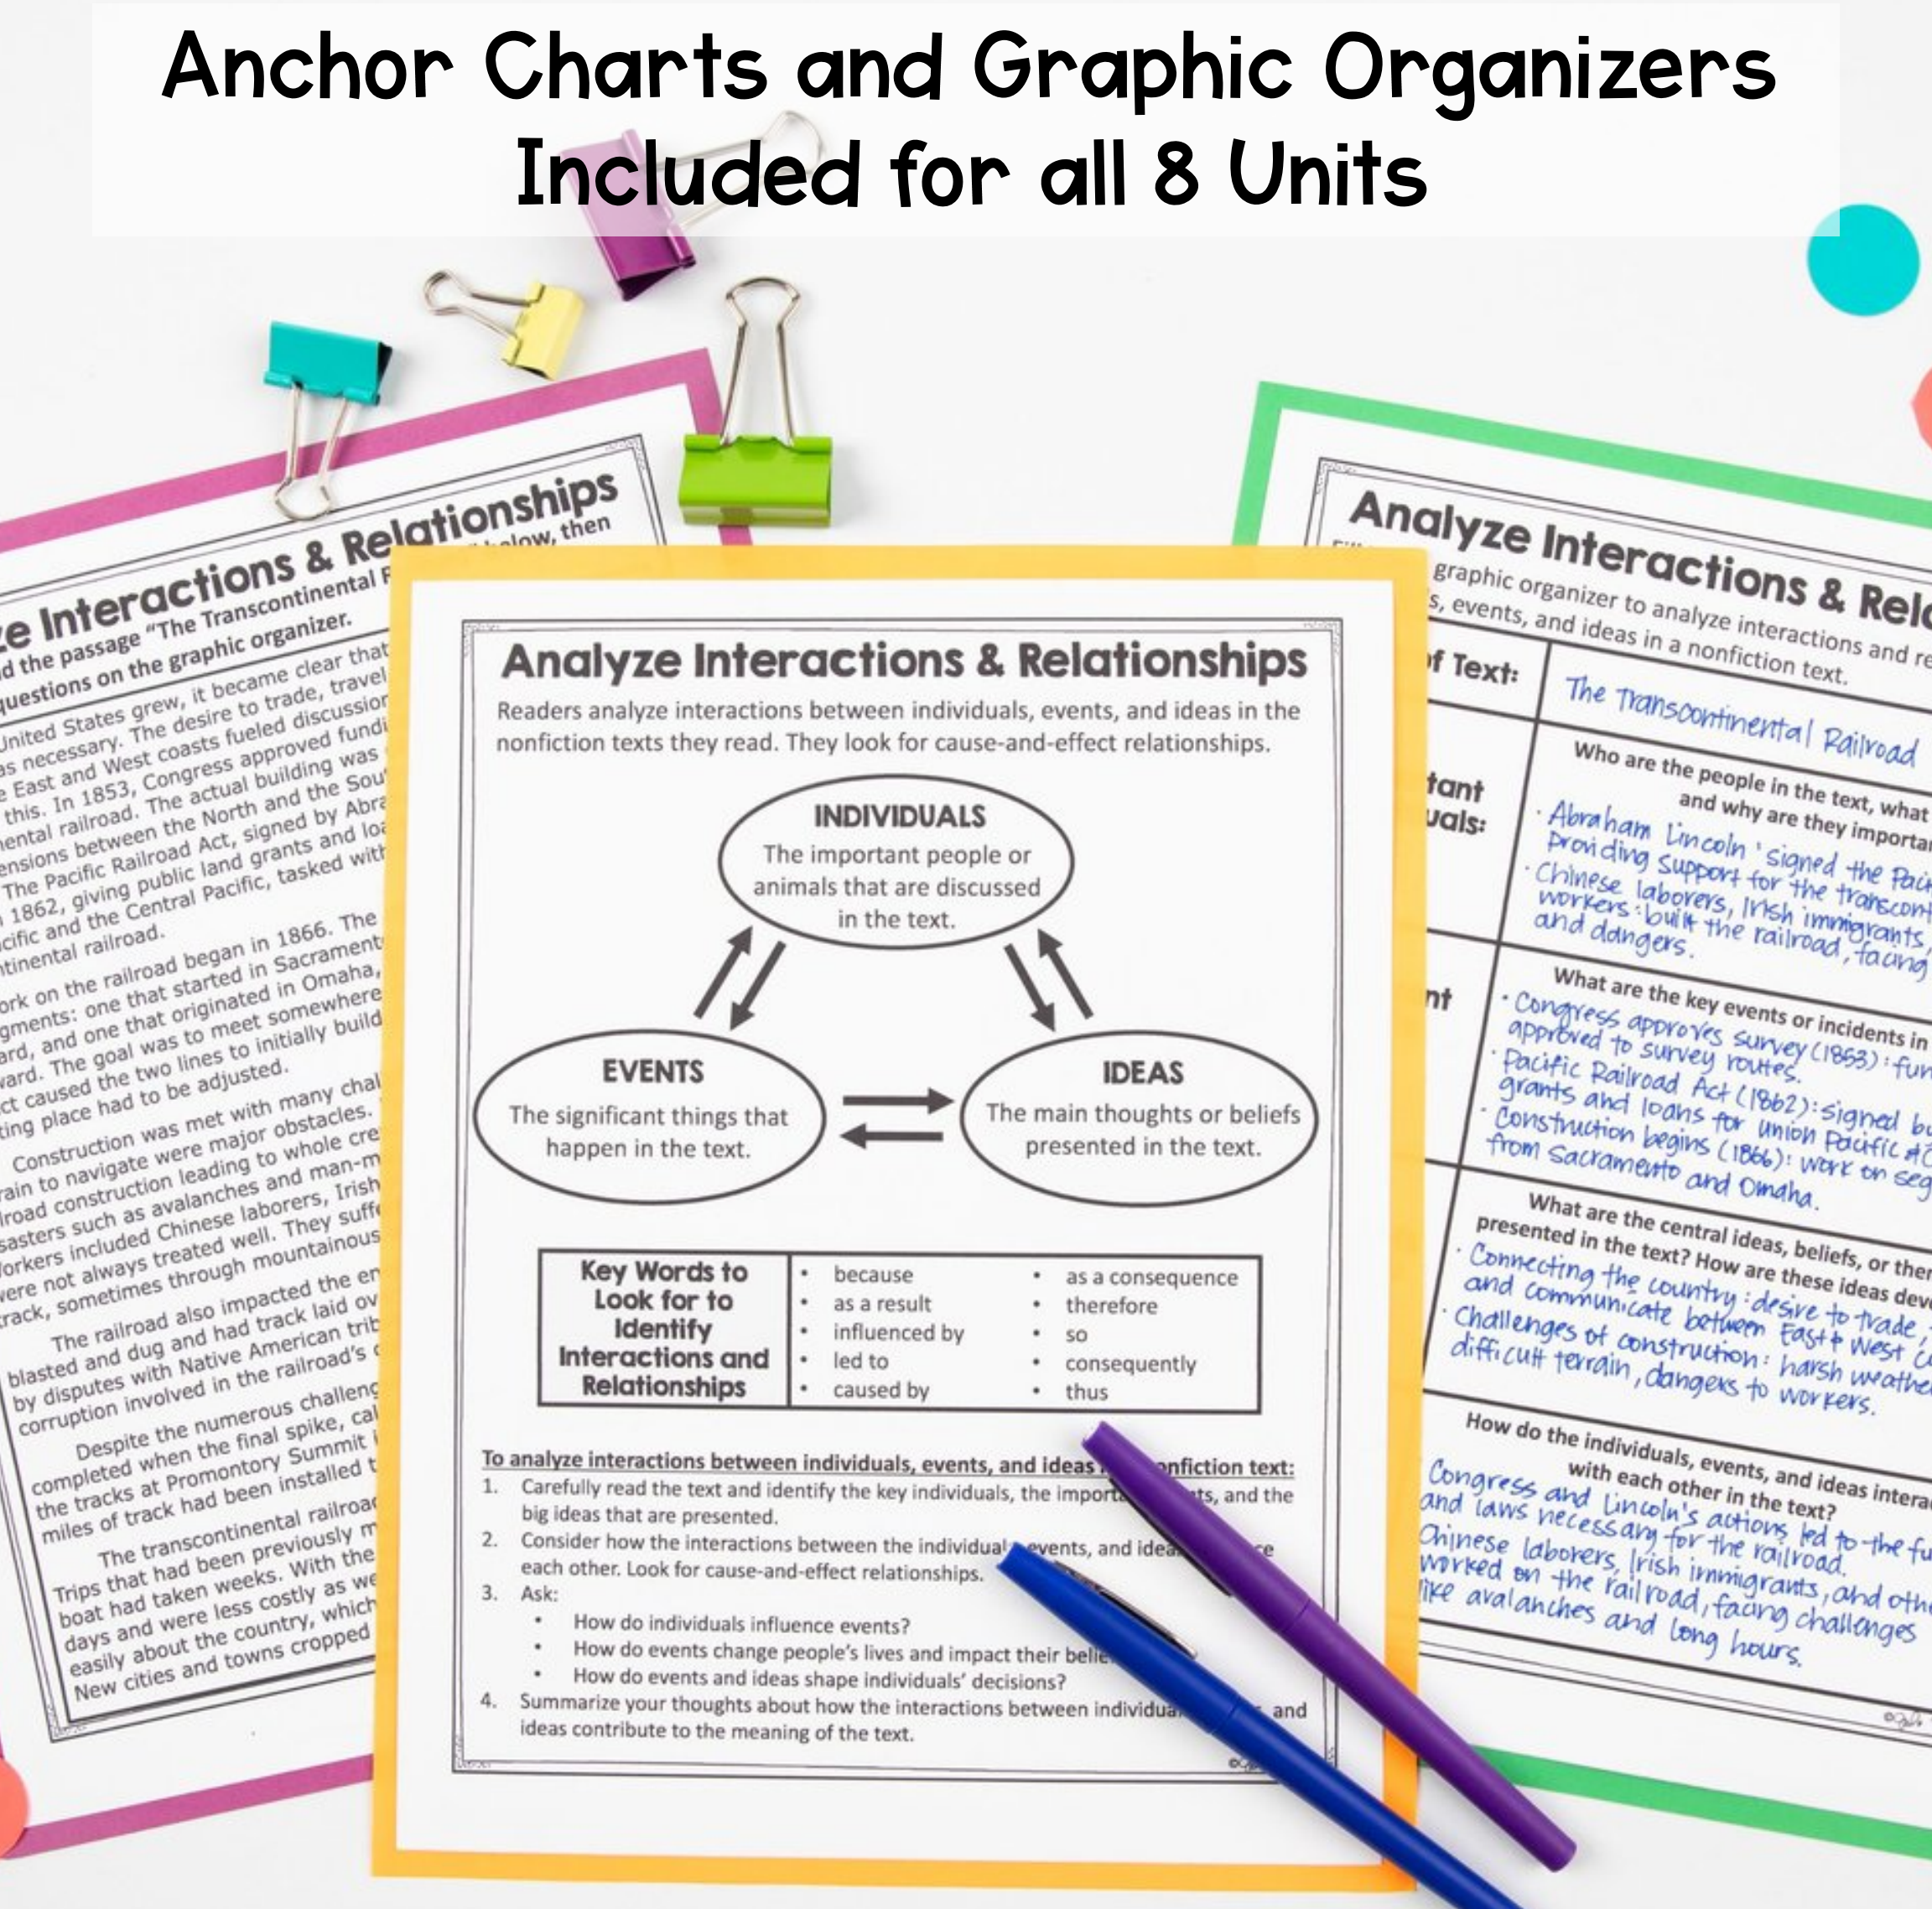

**Connotations**
Consider the cultural/emotional associations of words.

**Analogies**
Recognize comparisons to explain ideas.

**Technical Terminology**
Identify vocabulary words unique

**Allusions**
Identify references to other texts or famous works.
