Weekends with Grandpa
I love weekends . I can relax and do fun things at home. I read books and play with my toys. Sometimes, I go to the skateboard park. My favorite thing to do on the weekends is spending time with my grandpa. We watch baseball games on TV. We go fishing at the lake. I even help Grandpa pick vegetables from the garden. We make delicious, fresh salads. My grandpa and I have so much fun together. We do this every weekend. Well, this weekend was different.
Yesterday was Friday. All I could think about was my grandpa. I was so excited. I wondered about the new adventures we would go on this weekend. "What will I do at Grandpa's house this weekend?" I asked Mom. "Should I bring my fishing rod? Where will we go? Can we go hiking again?"
