READING COMPREHENSION

Year-Long Curriculum

Print & Digital

2nd Grade

LEXILE

MagiCORE

What Is Included?

For every Reading Literature and Reading Informational Text Standard (19 total):

- **Digital Mini Lessons**: Five days of short mini lessons to introduce the skill with integrated mentor text read alouds.

- **Lexile Leveled Reading Passages & Assessments:** 10-12 scaffolded and leveled reading passages and question sets in the 2nd/ 3rd grade text complexity band (420L-820L). These also include two final assessment passages.

- **Guided Readers:** Differentiated guided readers, lesson plans, and worksheets written to fit each standard. These also include running records for informal assessments. Guided readers are both printable and digital audio books. Worksheets are available as printable PDFs or Google Slides.

- **Printable Task Cards:** Print these standards-based task cards for centers or games.

- **Digital Boom Task Cards:** These must be used on the Boom platform. They auto-correct and include audio. If you have a Boom account, teachers can collect student data.

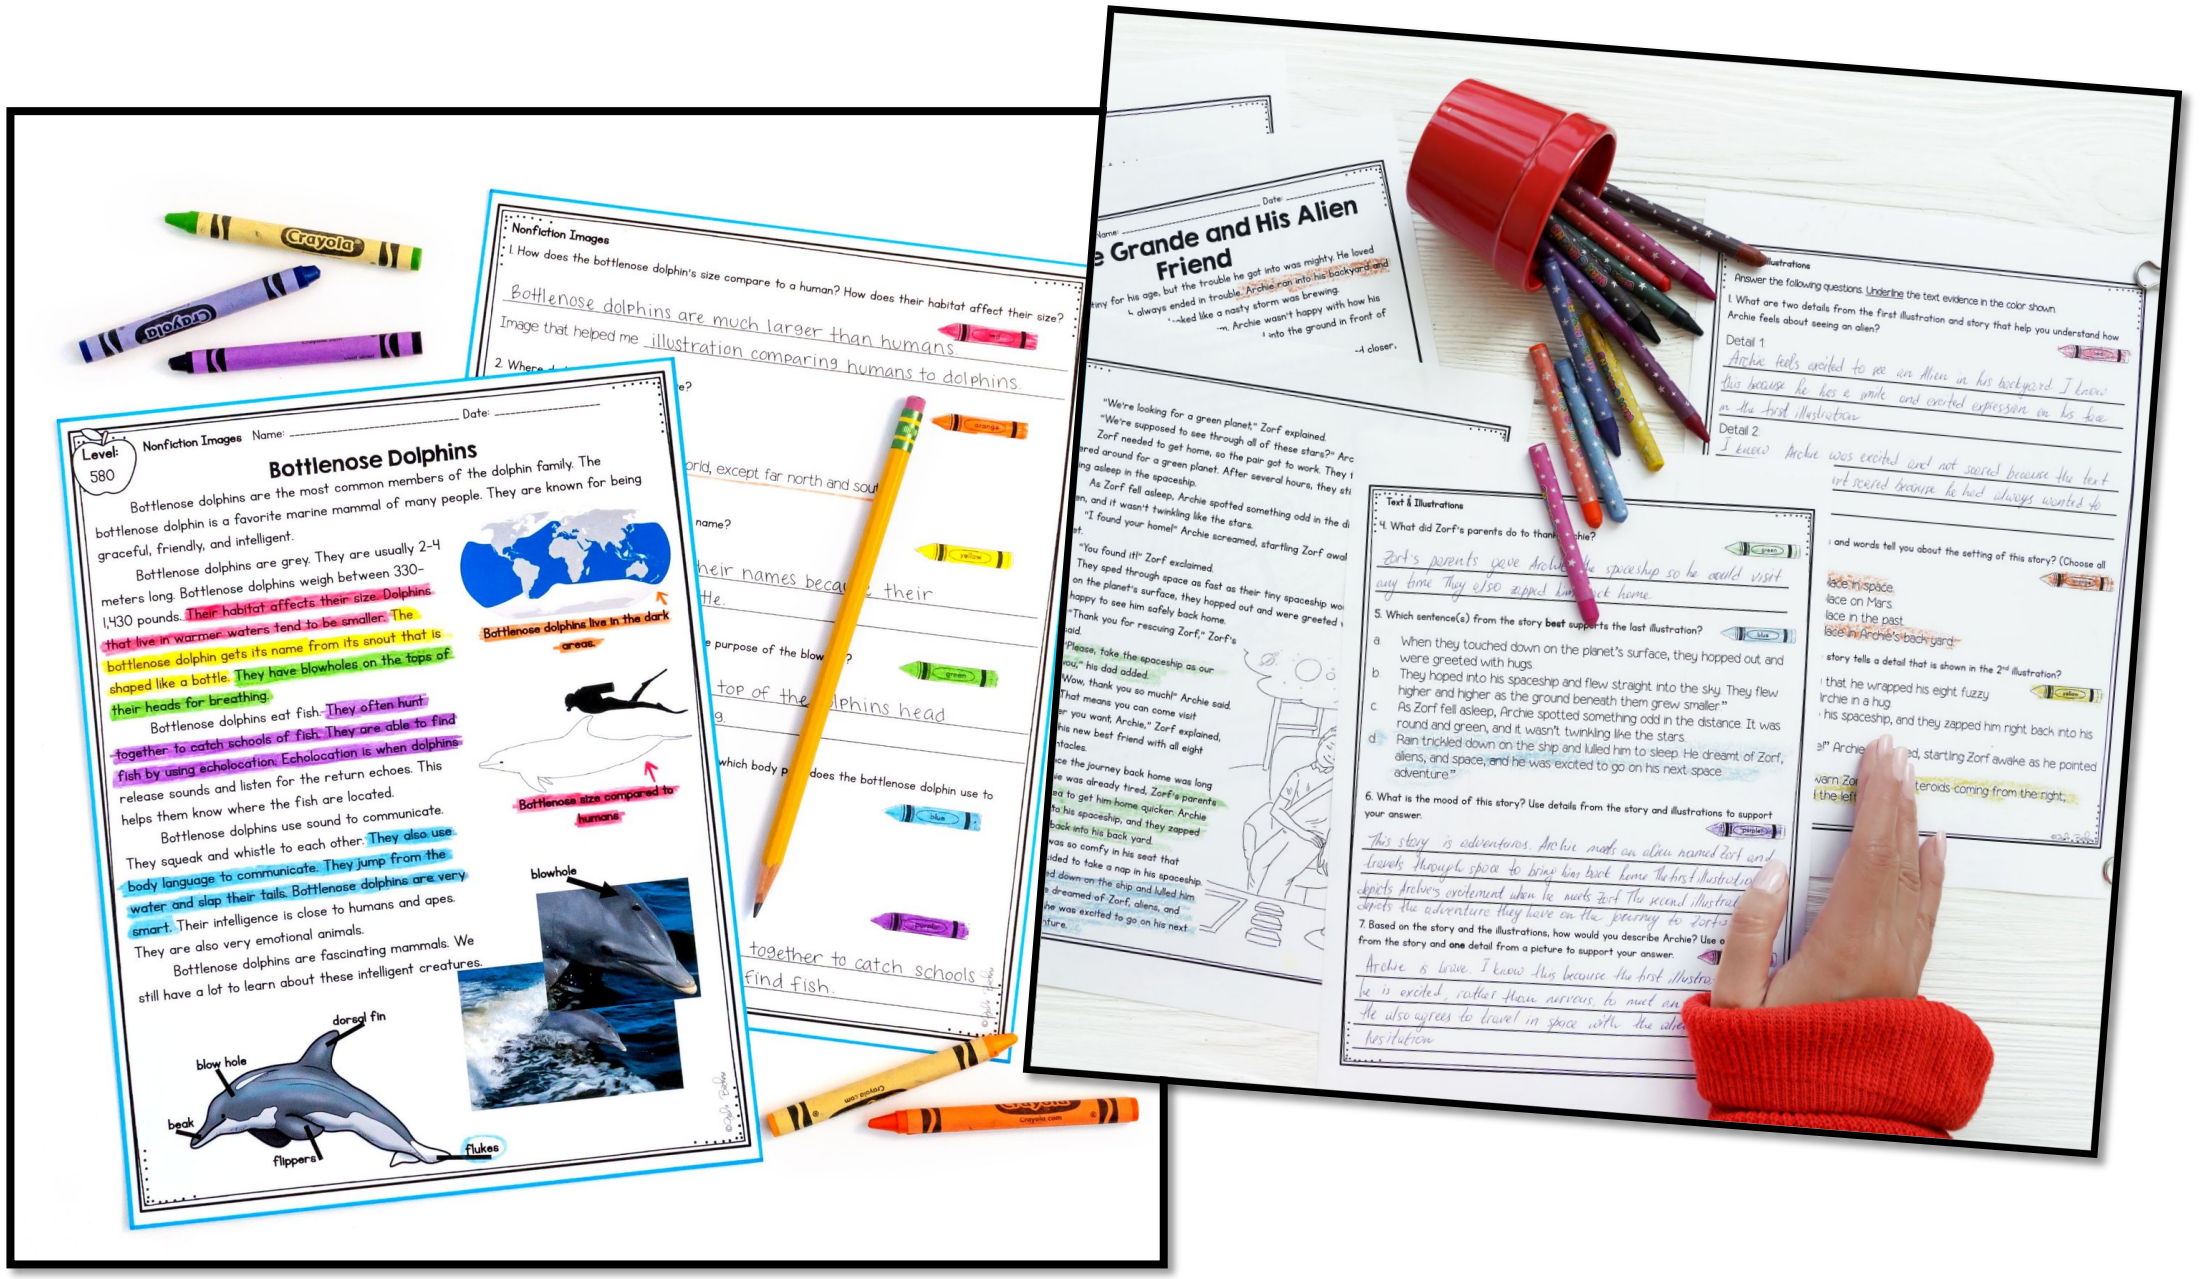

Digital Mini Lessons

- Digital Mini Lessons- Five days of short mini lessons to introduce the skill with integrated mentor text read alouds. No prep! Just present the mini lesson to your students and assign activities. Students can complete them on individual devices or projected as a whole class. Please note: If you purchase this on TPT the video *links* are included.

Core Comprehension Passages

- Anchor charts, 10-12 Lexile leveled passages, and two standards-based reading assessments. These units integrate color coding to encourage students to use text evidence to support answers. All passages are officially leveled by Lexile and are in the 2nd and 3rd grade complexity band. These come in both printable PDFs and Google Slides.

Differentiated Guided Readers

- Three leveled readers on different Lexile levels across the 2nd and 3rd grade complexity band. Each unit comes with a week of comprehension and standards-based plans, printable and digital readers, worksheets to monitor comprehension and standard practice, and a fluency progress monitoring check.

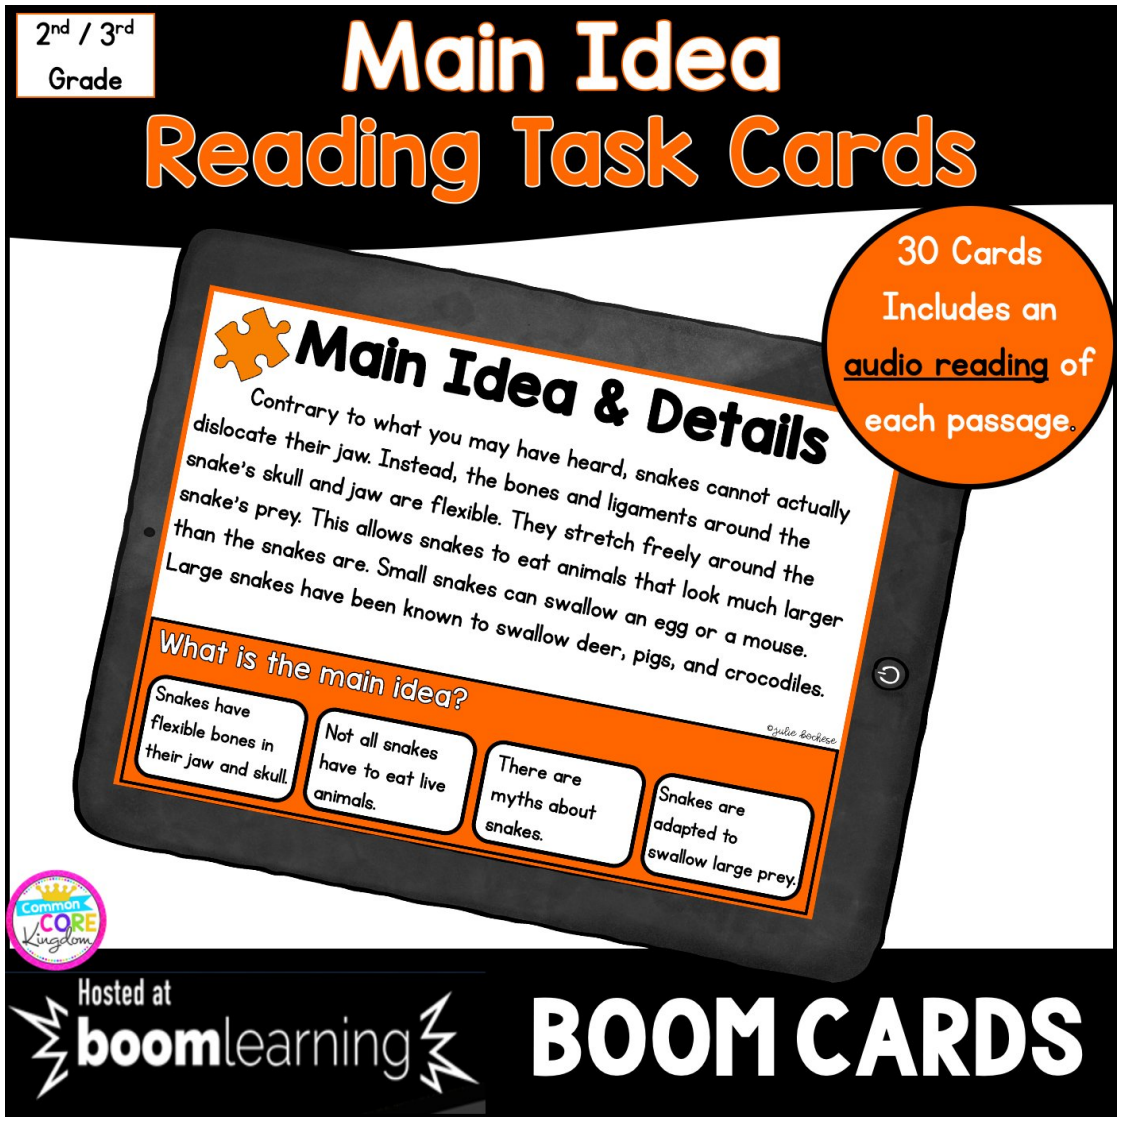

Printable Task Cards

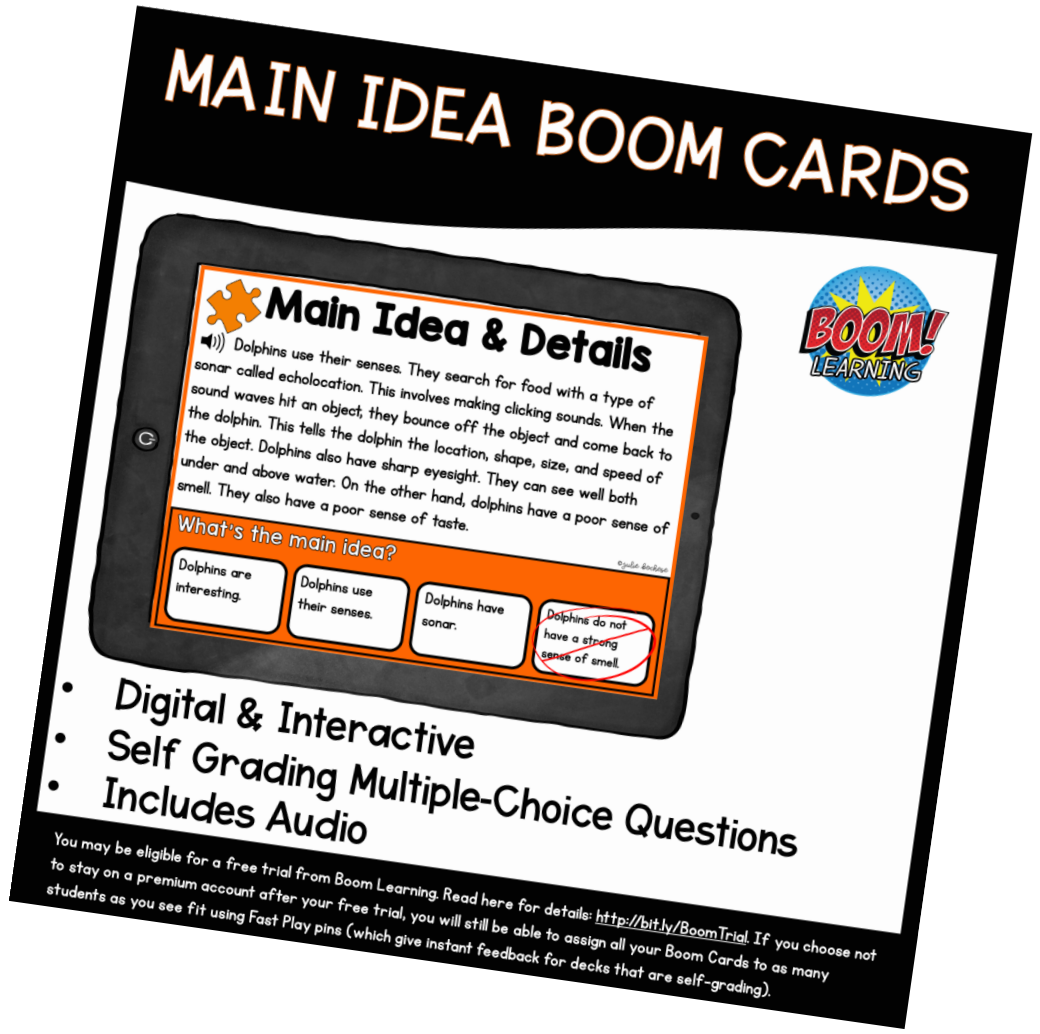

- Printable task cards based on each standard. Most task cards are multiple choice for quick and easy grading. Print, laminate, and use as a center or class games.

Boom Learning Digital Task Cards

- Boom Learning task cards can be used on the Boom Learning platform. Audio and self-grading make these a great center. If teachers have a Boom Learning account, teachers can track student progress. Please note: the task cards in these sets are the same as the printable versions.

Standards and Skills Included

Fiction

RL.2.1 Ask & Answer Questions
