FEEDING TIME

The table below shows how much food one of each type of animal is fed per day. Use the data from the table to answer the questions.

ANIMAL	Zebra	Giraffe	Lion	Flamingo	Gorilla	Crocodile
FOOD CONSUMED PER DAY	24 lbs.	72 lbs.	13 lbs.	1 ½ lb.	68 lbs.	2 ¼ lbs.

How much does a giraffe eat

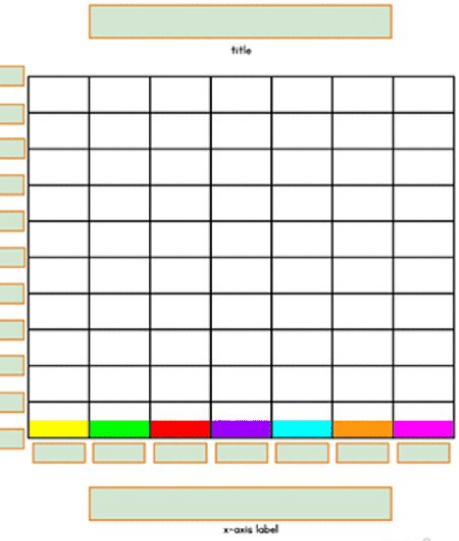

w much more does a gori

3. If the lions' meat costs $2
week?

ZOO ATTENDANCE

The clipboard below shows how many people visited the zoo last week. Plot the data on the bar graph below and include labels where needed. Resize each bar by clicking on the colored bar and dragging to the correct height.

Day	# of People at Zoo
Sunday	190
Monday	110
Tuesday	140
Wednesday	130
Thursday	150
Friday	160
Saturday	200

CUPCAKES GALORE BAKE SALE

Baker:

Page 9, Version 2

You decide to make your cupcakes on Saturday. Use the recipe card and the list to the right to help you answer the questions below. Cupcake names and preparation times can be dragged below.

Cupcake	Minutes to prepare recipe
Berry Bonanza	35 minutes
Vanilla Dream	42 minutes
Chocolate Walnut Delight	50 minutes
Cinnamon Sensation	38 minutes

My two recipes: 1. 2.

1. Determine the amount of time it will take to prepare and bake both of your cupcake recipes.

Cupcake 1: Cupcake 2:

2. If you begin making cupcake 1 at 9:00 am, what time will it be when the cupcakes come out of the oven?

3. You begin cupcake 2 after lunch at 12:30 pm. What time will you take the second cupcakes out of the oven?
