- Highlights Equal Shares.
- Mirrors Anchor Charts.

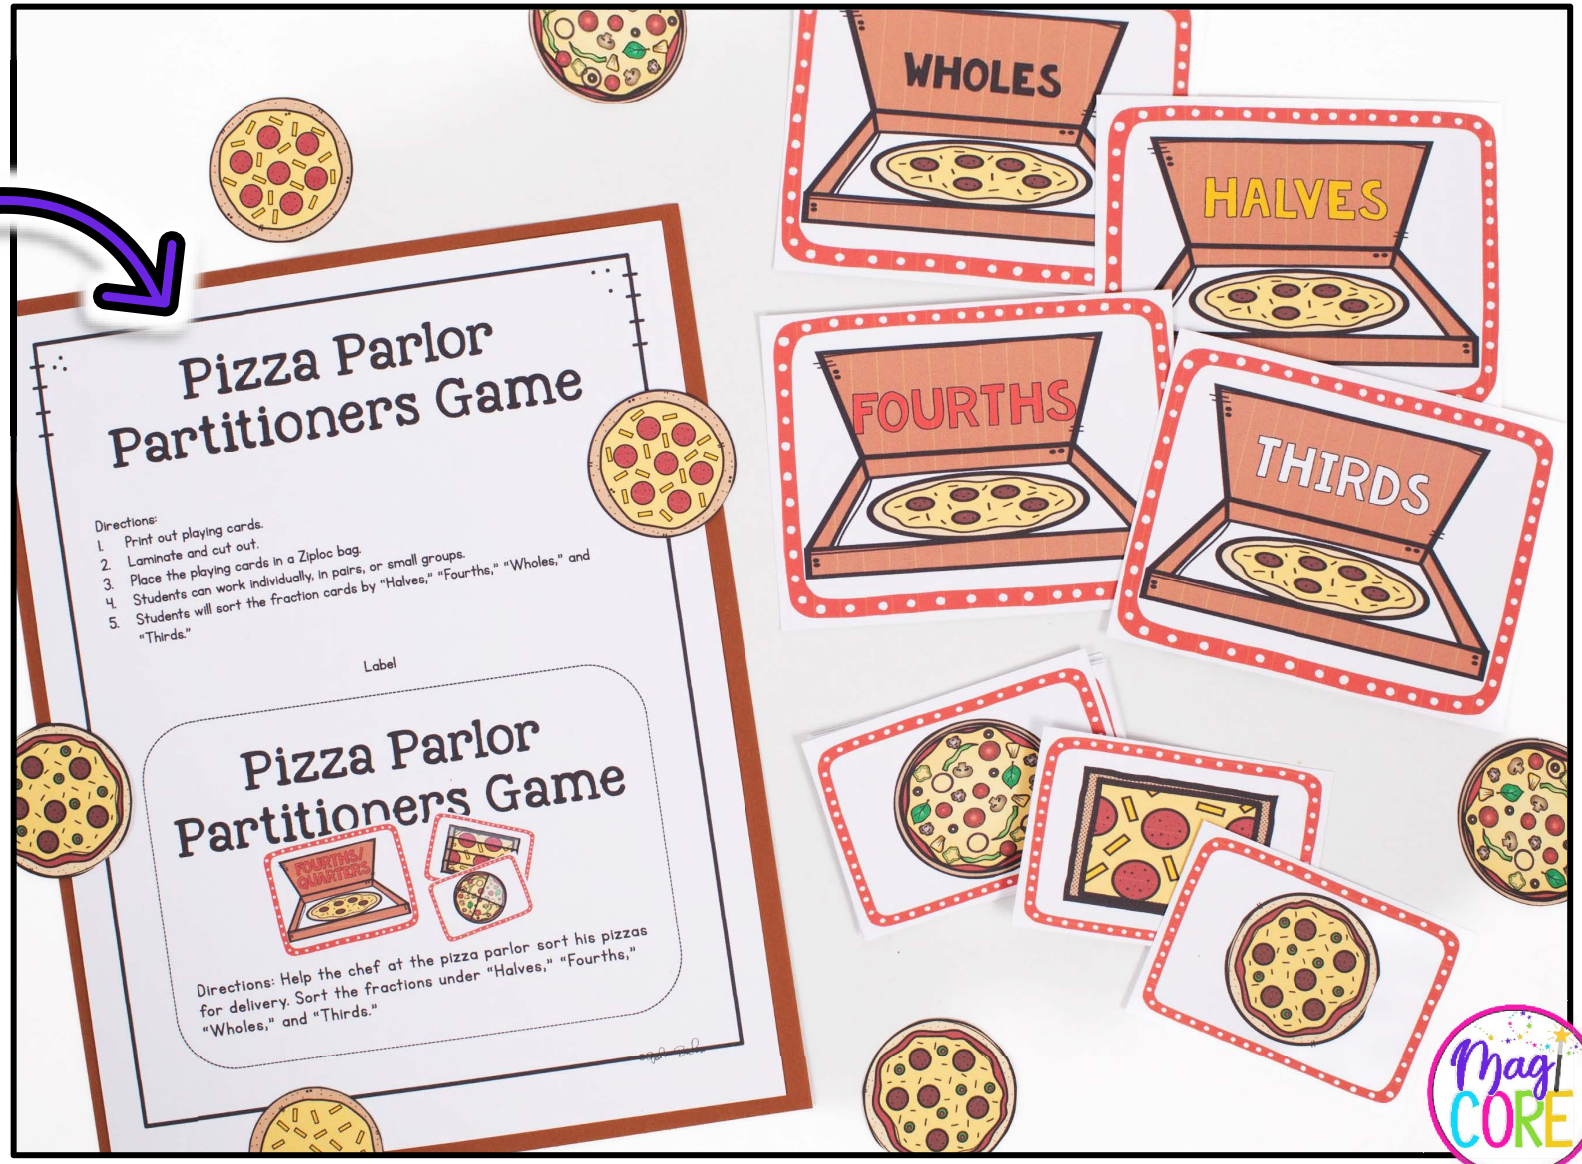

ANCHOR CHART

- Anchor Chart to teach and break down the skill.
- Perfect to add into student folders or journals.
- Provides visual guidance on halves, thirds, fourths, and equal shares.

2 ENGAGING CENTER GAMES

- Pizza Fraction Sort Activity.
- Comparing Fractions Activity.
- Great for the review and center activities.
- Can be utilized and played throughout the year!
- Designed to be played individually, in pairs, or groups.

TAKE A PEEK

My Share or Your Shares Game

Directions:

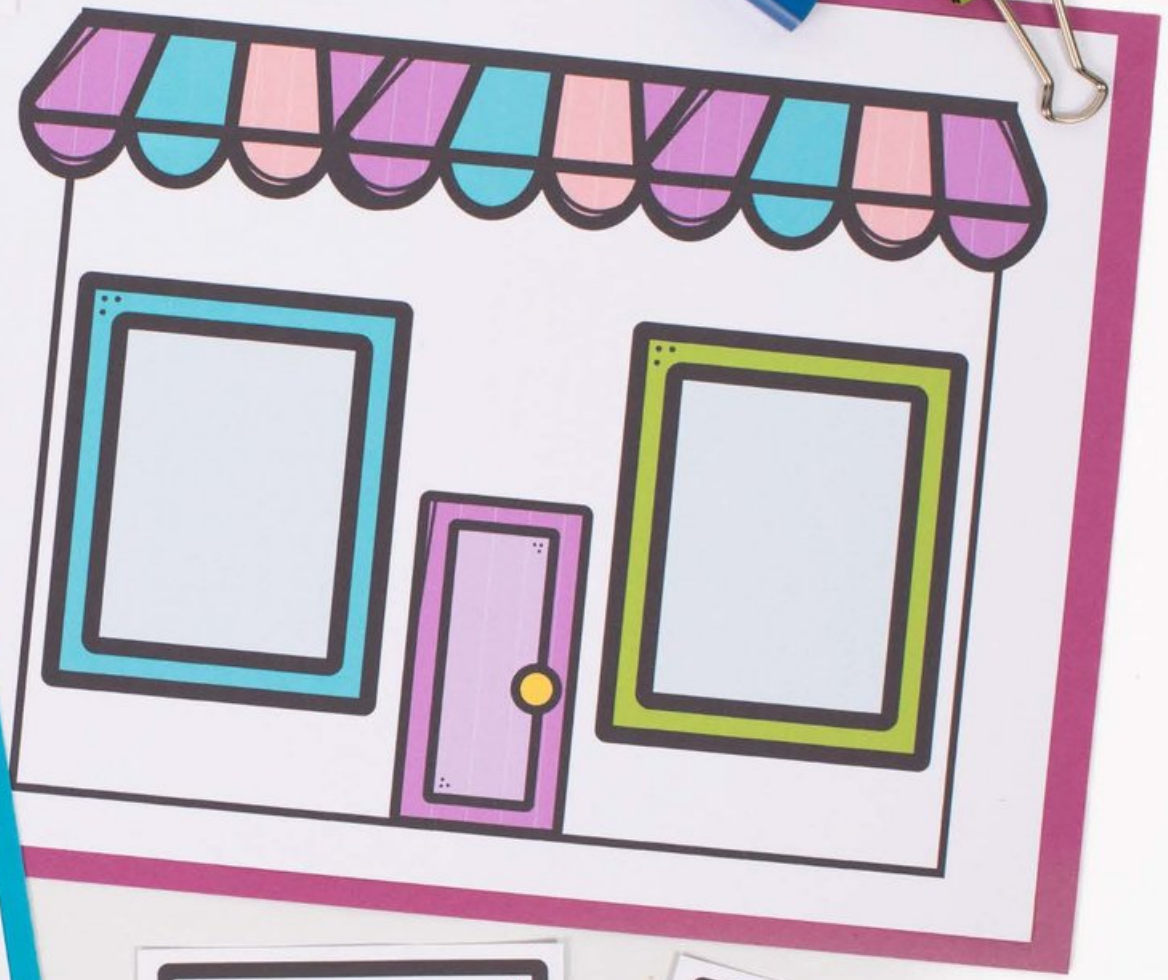

1. Print, cut out, and laminate fraction cards and the storefront mat.
2. Place all the materials in a large Ziploc bag.
3. Students will play this in pairs.
4. Students should divide the cards evenly between them. Essentially, it is like a game of war. Students place one card from their pile in one of the store windows on the storefront mat. Students compare the sizes of the shares. Whoever has the larger shares gets to keep the two cards. If the sizes and shares are equal, each student gets their card back and adds it to the bottom of their piles.
5. Once one of the students has won all the cards, they are the winner.

Label

My Shares or Your Shares Game

Directions: Compare the equal shares. Whoever has all the cards at the end, wins!

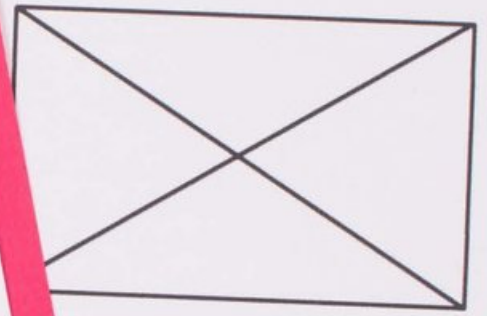

Magi CORE

AND ANOTHER PEEK

Name: _____ Date: _____

Fractions Test

Sandy bought two cakes.

ction are the cakes split into? _____

urths in the first cake smaller, larger, or the same as the fourths
cake? Explain how you know.
